# OVERVIEW

The state of the Center is strong. We have been growing programs, welcoming new members and guests, and moving forward on our capital campaign to expand the building.

For the capital campaign, we were able to secure an additional 2,000,000 in gifts and pledges in the past year, and we added an experienced fundraising professional, Todd Girouard, to out staff. Todd's helped out with coordinating the launch of a Splash distribution project and launched a car-donation program that jumped out of the starting gate—as I write this in early 2026, we have received four vehicle donations that have resulted in $4,465 in revenue to the Center's operations.

We won a Consolidated State grant to replace our 2004 Ford Bus with a wheelchair-accessible electric van and began the procurement and deployment process at the end of 2025. We are working with ZEV Coop to develop a ride-share partnership so that while the van will primarily serve BISCC, it can also be used by other island nonprofit organizations.

Our Waterfront Thrift continues to grow, and this year our volunteers helped us add regular Saturday hours starting in the summer. Manager of Operations Mary Gibbs has helped us with this and expanded Saturday programming by shifting to a Tuesday-Saturday schedule.

The variety of activities, programs, and events are detailed below. We continue to be blessed with active, dedicated volunteers who imagine, organize, and execute a rich variety of offerings. Thank you!

Community is an active verb, and no more so than here at the senior & community center. I'm grateful to be a participant!

# COMMITTEE REPORTS

**MEMBERSHIP & MARKETING:** *Ann Lovejoy and Barbara Ochota, co-chairs; Mike McCloud, Linda Holt, Barb Wills, Mary Cliver Karen King, Emeritus, FM & FF liaison, Lena Wilson, staff liaison*

2025 ended with 2,200 members, up from 2,152 at in December of 2024. Activity sign-ins reached 41,791, up from 36,704 in 2024.

In 2025, M&M members staffed information and outreach booths for multiple public and in-house events, including MLK, Juneteenth, BI Pride, the 4th of July, and the Oktoberfest Resource Fair. (Note: Farmers Market booths were not available in a timely manner, so we were not able to participate. We anticipate returning to the FM in 2026.) We promote BISCC through tabling and information displays at all these public events and more. When we show people a SPLASH copy, they are often impressed with

the range and variety of BISCC activities and most say they had no idea, which shows the importance of such outreach events. We also provide photos and ideas for social media FB/Insta etc. Barb Wills is working with Todd to get copies of the SPLASH into retirement communities, patient waiting rooms, and similar places.

The scrap metal recycling program continues to draw donated metal items from members and non-members, including some local businesses. Barbara O reports recycling over 3000 pounds of assorted metal and gleaning over $700.00 for BISCC, a very significant increase over 2024. Barbara O also led MnM in the organization of BISCC participation in the annual Fourth of July parade, inviting people from every BISCC group and ongoing class to create a colorful, eye-catching promotional sign to carry in the parade, which drew many participants and demonstrated the breadth of our offerings to the community. A small, motorized cart was available for BISCC members who were not able to walk the length of the parade. MnM members tabled at the Center in support of the popular July 4th Photo Club exhibit and handed out frozen treats from the Geezer Freezer.

Committee members assisted with and participated in several multigenerational events, including Bingo and Evergreen Singers concerts with middle schoolers. The FOB Friday program is a popular benefit for members who want to support small local businesses and is supported by merchants, who welcome and encourage fob use.

**EVENTS:** *Colleen Keilbart, Chair; Annie Quan, Charlotte Caskey, Eleanor Weinel, Genevieve Moyer; Jamie Mittet, Jay Talmage, Jill Kury, Jon Davies, Linda Owens, Mickey Guthrie, Sue Coble Bunn, Susan Elliott, Susan Phillips, Steve Walker, Sharon Webster. Ad-hoc: Diane Hooper barkeep, Linda Heys barkeep.*

2025 was a busy year for the Events Committee planning fun and frivolity for the membership. In February Members of the Events Committee helped Mary Gibbs by cooking for the Chilly Hilly Chili Feed the day before the event at St. Barnabas. March was the ever so popular Talent Show, highlighting the many talents of our membership. April brought our annual favorite sing-along with “Time and Tide” at our pizza party. In June we helped organize an outing to play Trivia with the teens at BHS. In August we held the most attended event of the year by having our barbecue on a warm summer afternoon. September was the annual Fund Raiser featuring The Edge/Improv when the Fund-Raising committee and the Events committee joined forces to put on this popular show. We ended the year with a salute to the old year and welcoming 2026.

**RESOURCES:** *Jeannette Franks, Gerontologist and Chair; Vivien Blyth, social worker, retired; Sheila Curwen, BISCC BOD Liaison; Ann Brown, Liaison with Visually Impaired Persons group and Madison House; Katie Auger, IVC Resource Navigator; Donna Dahlquist, Helpline House; Misty Ebercher, Housing Resources Bainbridge*

Once again, the Senior/Community Resource Committee successfully held its popular Oktoberfest Resource Fair. We had almost 40 organizations participating, as well as several hundred people coming to learn about those resources. In addition, organizations networked with each other and also learned more about the Senior/Community Center—which is important! And the beer, donated by Bainbridge Brewers, was also appreciated.

The committee continues to expand our services and mission to keep us all informed about non-profit and for-profit organizations in our community serving people of all ages: the organizations that are our resources.

We continue to have speakers, both live and on zoom, who represent new services, changed services, or new staff. Our committee members are wonderful, and it is amazing how much services change from year to year. We had a marvelous briefing from One Call for All director, Lisa Timmons, among many other methods of staying up to date on services.

Our symposium in spring 2024 entitled "A Fresh Look at Death" was very well received and for spring 2025 we are planning another half day event on options for long-term care: skilled care, assisted living, ageing in place, home care, and other possibilities. This symposium will take place on Sunday, March 30, from 1 to 4 and Dana Gargus, Kitsap County's outstanding long-term care ombudsman, will be the keynote speaker. Find out what you didn't know. Does Medicare pay for any type of long-term care? Heck no, except under special circumstances. What are those circumstances? Find out on March 30!

**FUNDRAISING:** *Linda Holt, Mimi Hicklin, Jan Peacoe, Doreen Huether, Jamie Mittet, Rita Riley, Barb Brewis, Joanne Nickel, Karen Teal*

The committee raises money for BISCC operations by staging spring and fall/winter fundraising campaigns timed to coordinate with the Kitsap Great Give and One Call for All. Additionally, The Edge Comedy Improv donates their time for an annual fundraising event.

The theme for the Spring Campaign was "Flip the Script on Aging" and involved emails along with mailed appeals. Donations totaled $29,000. Kitsap Great Give came early this year so we pushed this fundraiser out a couple of months, making it a stand-alone event. We raised $12,871.96 through Kitsap Great Give.

The Fundraising Committee, with the help of the Events Committee, hosted the annual Improv event on October 12. The Edge Comedy Improv performs at no cost to BISCC. Ticket sales totaled $7,500. The basket raffle raised an impressive $2,380 as well as $130 bar sales for a total of $10,010. This event was sponsored by ArtiCare.

The theme of the Fall/Winter Campaign was "Come Grow with Us." A kick-off brunch for early donors was held November 8 with Colleen Keilbart and the Events Committee providing the food and drinks. The campaign included weekly emailed videos of BISCC members and staff sharing why BISCC is important to them and encouraging our membership to donate. Also, an appeal letter was mailed to membership in late December. A goal of $200,000 was set for this major fundraiser and as of January 9, 2026, donations totaled $270,000 between direct donations and OCFA.

**CAPITAL CAMPAIGN**: *David Veterane and Gerry Worley Co-Chairs; Anne Reusche, Chasity Malatesta, Jake Clemens, Sue Andresen, Sue Coble Bunn, Tom Kilbane, Mimi Hicks Associate Director, Todd Girouard Major Gifts Officer, Reed Price Executive Director.*

The Capital Campaign Committee was established to lead the effort to raise the $20+ million dollars for the new building design efforts and raise sufficient funds to begin construction of the Community Center Building in 2027. The Committee consists of 2 co-chairs and 8 community leaders as volunteer members along with Reed, Mimi and Todd as staff members. The Board has hired a consultant company to provide strategic planning for the campaign and assist the capital campaign committee.

The Board has also hired a part-time grant consultant to support writing funds requests from private and government agencies. The committee meets monthly formally with the consultant and monthly informally to discuss action items for future monthly meetings. A typical agenda includes Building Project Task Force updates relevant to the pre-construction, fundraising projections and Dashboard Pledge Updates. The current Dashboard Pledge is $3.7M.

**BUILDING PROJECT TASK FORCE:** *:Chair: Bill Luria; Members: Bill Booth, Colleen Keilbart, David Huether, Tom Kilbane, Del Miller, David Veterane, Eleanor Weinel, Gerry Worley (ex-officio); Staff: Reed Price, Mimi Hicklin*

The Building Project Task Force (BPTF) was established in 2024 to provide oversight to the design, construction and fund-raising efforts of the new Bainbridge Island Senior Community Center. Major accomplishments in 2025 included:

1. Working with the architect/engineering team to finalize the conceptual design of the new Center;
2. Continued coordination with the City of Bainbridge Island, which resulted in formal approval to move forward with the proposed design;
3. Selection of a local BI firm, Carley Construction, as our General Contractor for the pre-construction phase and, potentially, the construction phase;
4. Review and approval of various marketing tools to support the Capital Campaign Committee in its efforts to raise the necessary funds to build the new Center.

2026 will continue these activities, with the goal of completing both the design work and funding effort to begin construction of the new Bainbridge Island Senior Community Center in 2027.

**WATERFRONT THRIFT:** *Tijen Sion-Hotchkiss, Sally Dunbar, Katherine Dickerson, Beryl Cunnane, Diane Hooper, Norma Jean Badger, Pam Harrison, Janet Brookes, Dianne Curtin, Jonnie Schmidt, Ellen Murphy, Gerri Harrington, Linda Heys, Cheryl Williams, Sharon Boundy, Susan Hughes, Cindy Guzman (stock preparer extraordinaire), Paul and Kathy Cooper (re-donated, 'no thank you' merchandise pick-up and dispersion)*

The year of 2025 was hot and cold: we started out with a dismal January, missing last year's sales by $1,548! February, the LOVE month, had sales of $7,068. It was our lowest monthly performer but still came in higher than last year by $149. March and April were great for sales with increases of $591 and $982, respectively. May was a tough month, coming in at $1013 less than 2024!

In June we came close to last year but missed by $300. July made us proud with a total of $10,844, a $2,200 increase over last year. Then back to cool (and not in a good way) with August and September sales that missed last year's numbers. And about August…. we were up against a fifth week from last year with sales of $2,483! October saved fall with a $2,100 increase over last year. November and December were the superstars of the year. November almost doubled last year's sales at $11,555, December finished off the year with a $4,000 increase over LY with a total of $16,528!

We had a new promotion in February with the Downtown Association's Love Local 98110 program. Businesses were encouraged to offer special deals throughout the month to customers who live and work on BI. Over 70 businesses participated. Our customers loved the surprise savings, as we offered 10% and later 20% off the highest priced item of purchase. It was a fun community experience, and we look forward to taking part in it again this year.

Our warm days lasted through mid-October, giving summer clothing extra selling time. We gradually fed fall merchandise onto the floor and for the first time in years, realized our stock level for this season was lower than usual. We held back the heavy sweaters and coats for the colder months, asked (via emails and word-of-mouth) for more fall and winter donations. Our customers came through with donations and we took advantage of 2nd Season's $1.99 Friday sale to beef up our stock level. Thanks to continued donations throughout the season, we were able to keep our racks full enough. It was a good lesson for me to look ahead for stock shortages and to remember that it's never too early to ask for the next season's donations!

Our Holiday Season began in earnest on Monday, Dec.1. We had Thanksgiving weekend to prepare and place merchandise to be ready by Monday. This year again, we opted out of the Winter Sale. Although a few customers asked about the Huney Hall event, the majority was happy with Christmas being merchandised. We accepted Christmas merchandise throughout December which kept us well-stocked with wonderful donations. This year, we offered our extended shopping hours, (10 am - 4 pm) later in the season starting December 18th-24th. The 4 bins of remaining Christmas stock is testimony of our busy December. In past years, our remaining Christmas bin quantity has never been lower than 15.

This summer, volunteer Susan Hughes took Saturdays under her wing. She became the Saturday Superstar, welcoming and helping shoppers with her easy banter. We added another volunteer to Saturdays with a 11-2 shift. Our summer Saturdays averaged about $1000 per month. We continued the Saturday 10 - 2 hours into the fall, with a total of $6,346. Total Saturday sales from June 7th to December 27th were almost $10k.

Our continued success is largely due to our loyal volunteers. They enjoy and take pride in what they do, know their business and love to visit with our customers. Many have regulars who come in just to see them. We have an amazing team for which I am so grateful. We lost our sweet Marian Thackray in April. We still feel her loss and think of her often. She was such a big part of Waterfront Thrift.

In 2025, we added 3 new volunteers to our family: Ellen Murphy took over Marian's shift (she worked with Marian at Helpline House) and Dianne Curtin works on Wednesdays on a bi-monthly basis. Susan Hughes is our Saturday Superstar.

We are all looking forward to a successful and enjoyable 2026.

**FINANCE COMMITTEE:** *David Huether, Board Treasurer and Chair; Roy Wallace, Mary Beth Mohrman and John Stephens. Ex officio: Eleanor Weinel, Acting BISCC President, Gerry Worley, Co-Chair New Facility Fundraising, and Reed Price Executive Director.*

The committee met monthly during 2025. Each of the meetings included a review of BISCC's financial statements and the reports on the Investment and Endowment Funds which are held at E*Trade, a

subsidiary of JP Morgan Chase. Monthly financial reports and appropriate explanatory comments were prepared and provided to the BISCC Board of Directors.

The Committee, after due consideration and reflection, retained KP Advantage, as its local accounting firm of CPA's, to prepare and file our annual form 990 tax return, provide a Compilation letter and assist with the general accounting procedures of BISCC. Tim Ensley, CPA is the firm's partner leading those efforts.

Reed Price brought to the Committee's attention the possibility of replacing the QuickBooks accounting system with a Non-Profit purpose designed and developed alternative created by MonkeyPod. Following a detailed review of the MonkeyPod systems, features and implementation support including input from Tim Ensley, the Committee in concert with the Board made the recommendation and approved moving forward with the accounting system conversion to occur during the first quarter of 2026. The Committee anticipates the implementation of the new system will maintain the current existing costs related to the accounting work and provide more appropriate, user-friendly output which will be most useful for the various stakeholders of BISCC.

The following chart is a financial summary of the past two years. The 2025 data is as of January 21, 2026, and is subject to year-end closing adjustments. The full year end financial report for 2025 will be published during the 1st quarter of 2026.
